Benefits of a Lifetime License

California's Lifetime License Program offers dedicated hunters and anglers an opportunity to enjoy a lifetime of fishing and hunting. Our license program offers you:

- A lifetime of basic fishing and hunting license privileges (tag and stamp privileges are available for an additional cost), even if you move out of state
- Protection against future fee increases

How will I receive my lifetime license each year?

Each year, before the new license year you will be able to pick up a new license at no cost from a CDFW license agent, a CDFW license sales office or from the CDFW Online License Service at www.dfg.ca.gov/licensing/ols. To claim your license online, you must log into the Online License Service using your last name, date of birth and your GO ID (from your hunting or fishing license). When requesting your license online, please allow 15 days for delivery.

Who Can Purchase A Lifetime License?

Any California resident. The price varies, depending on your age. (See reverse side for details)

Your Lifetime License Includes

- The *Lifetime Sport Fishing License* includes basic fishing license privileges
- The *Lifetime Hunting License* includes basic hunting license privileges

Additional validations and tags can be purchased separately each year, or they can be purchased in one or more of the following packages:

Additional Fishing Privileges: Includes a second-rod validation, north coast salmon report card, steelhead report card, and ocean enhancement validation every year for the rest of your life.

Additional Bird Hunting Privileges: Includes a California duck validation and upland game bird validation each year for life. California duck and upland game bird validations are issued only to hunters who are 16 years of age or older.

Additional Big Game Privileges: Includes one deer tag application and five wild pig tags every year for the rest of your life.

Note about Future License Requirements

Your lifetime license includes only the privileges specified at the time of purchase. If additional stamps or harvest cards are required in the future, you may be required to purchase them

What Happens to My Lifetime License if I Move Out of State?

Your lifetime license and the privileges you have purchased will still be valid. You are still eligible to purchase lifetime privilege packages. If you reside in another state, you are a nonresident, unless you are enrolled in the Job Corps, or on active duty with the U.S. Armed Forces. If you need additional tags, you must purchase nonresident tags.

How Do Lifetime Licenses Help Fish And Wildlife?

Your purchase of a lifetime license provides the Department with a permanent and continuous source of funds for the management and protection of fish and wildlife for many years to come. The fees from the purchase of a lifetime license are deposited into a dedicated, interest-earning trust account. Each year, we receive an amount for each lifetime hunting and fishing license in effect. As time passes, the account continues to earn interest, ensuring there is enough money for the program to continue.

How Can I Purchase A Lifetime License?

Follow this simple checklist:

- Check the appropriate box for the type of license (sport fishing or hunting) and any additional privileges (fishing, bird hunting, or big game hunting) you want.
- Fill in your name, address, and other information in the boxes on the application.
- If you're buying the license as a gift for someone else, fill in the name, address, and other information for the recipient.
- Include proof of completing a hunter education course if you're buying a lifetime hunting license.
- Include a copy of a driver's license, DMV identification card or birth certificate so we can verify the applicant's age.
- Include a check or money order, or use the credit card authorization form, for the appropriate license fee and any additional privilege fees.
- Submit your application in person, via mail, or fax to any CDFW license sales office. A list of CDFW license sales offices is available at www.dfg.ca.gov/officelocation.html.
